### **ABOUT FASHION ART TORONTO**

Fashion Art Toronto celebrates inventive and contemporary expression through 50+ runway shows, performances, fashion films, photography exhibits and art installations. This annual multi-arts fashion event, held every April, features 100 Canadian and International fashion designers and artists each year and welcomes over 5,000 guests; including buyers, curators, the media, and fashion and art lovers in general.

### **VENUE**

Fashion Art Toronto will be held at Daniels Spectrum – a cultural hub in Toronto’s downtown east neighborhood. 15,000 square feet will host runway shows, exhibitions, installations, social spaces and backstage areas. The space features 50-foot high ceilings and an 80-foot long runway as well as multiple project spaces featuring artist interventions, photography exhibitions and fashion installations.

### **EVENT OBJECTIVES**

- Present inventive, creative and contemporary fashion design and art
- Have an intelligent, conceptual and emotional point of view
- Encourage experimentation and play
- Introduce new ways of looking at fashion
- Emphasize the relationship between fashion, art and performance
- Gain public and media awareness of progressive and promising creators
